torch songs pdf

torch songs A torch song is a sentimental love song, typically one in which the singer laments an unrequited or lost love, either where one party is oblivious to the existence of the other, where one party has moved on, or where a romantic affair has affected the relationship. The term comes from the saying, "to carry a torch for someone", or to keep aflame the light of an unrequited love.

Torch song - Wikipedia

torch songs Zhulong or Zhuyin, also known in English as the Torch Dragon, was a giant red solar dragon and god in Chinese mythology. It supposedly had a human's face and snake's body, created day and night by opening and closing its eyes, and created seasonal winds by breathing.
