tron legacy art book Tron Legacy has got to be one of the most visually impactful films in recent years – it inherited the best designs and elements from the groundbreaking original, refining and expanding the sleek virtual universe that the film characters inhabit.

### **The Art Of Tron Legacy Book Review | Halcyon Realms**

tron legacy art book The Art of Tron: Legacy is more of a visual companion than an art book. Whenever there's "art of" somewhere in the book title, it sets people up with certain expectations. This title definitely sets up the wrong type of expectation, at least to me.
